Sustainable Fashion

Since 2005

EXPLORE US

Established in Izmir, Mosi Tekstil is rapidly growing & has reached a production capacity of 1.2 million units / month since 2005.

We aim to achieve sustainable growth by adopting the vision of Industry 4.0, pioneering ideas and movements from an environmental sensitive perspective.

OUR MISSION

To provide innovative, fast and high quality service to our customers with the power of our qualified human resources, our collection ability, variety of models and the power of our modern production facilities in different locations.

OUR VISION

To be the strategic business partner preferred by textile brands that shape fashion with our expert staff leading change and development
